Heartsafe Project

Student Ambassadors Needed for the Heart of Edmonds Schools & Community Heartsafe Project

www.heartofedmondssd.org

Student Ambassadors are needed in every Elementary, Middle, High School and College in the Edmonds School District --Edmonds, Lynnwood, Mountlake Terrace, and Woodway.

What is a student Ambassador?

1. A student who will represent their school to promote our project to parents and students.
2. A student brave enough to stand up in front of school assemblies and sporting events to read announcements on the project starting now through end of school year 2015.
3. A student who will help promote volunteers to assist at local events posted on our website.
4. A student who will help promote auction items and donations for the Heart of Edmonds Schools & Community Heartsafe Gala – February 2015
5. A student who will promote mothers, sisters, aunts, and girlfriends to pledge a gently worn dress for “Take this Dress To Heart Fashion Show & Dress Sale” April 2015

Goals for Heart of Edmonds Schools & Community Heartsafe Project

We believe we can make our schools and communities “Heart Safe” through the education of our children and our community. We owe everyone the knowledge of how to save a life (CPR education), and how to use an AED (Automated External Defibrillator). As a valued member of our community, we are sure you can appreciate the impact this can make. In fact, the lives saved, may one day include you!

Founded on successful programs in Auburn, Federal Way, Snohomish, Seattle and Tacoma, the Heart of Edmonds project is designed to achieve three main objectives:

- 1) Educate our community on heart health awareness and the safety & use of AED’s and CPR
- 2) Through private funds equip every public school and community field in the Edmonds School District with an AED and a proper emergency plan for Sudden Cardiac Arrest, and
- 3) Implement ongoing instruction and maintenance programs.

Jerry & Melinda Truax

In memory of our son Matthew Truax
September 18, 1996 – September 13, 2013
